

YOU ARE PREPARED

with this ID card!

**If your child is lost or missing...
TIME IS CRITICAL!**

Unlike a student ID that is carried by the student, Ident-A-Kid ID cards are **CARRIED BY ALL PARENTS AND CAREGIVERS** in their wallet and on their cell phone. Thanks to IDENT-A-KID cards, vital information is provided immediately to law enforcement, security personnel and others during an emergency.

Private and Secure

For your child's safety and privacy, none of the information is shared or retained on file. See Ident-A-Kid's privacy policy at www.identakid.com/privacypolicy.

Participation is Easy

Simply fill out the Application Envelope and return it with your child by the date below or **ORDER ONLINE** (instructions below).

Recommended

Recommended by law enforcement nationwide.

Other Uses!

The Ident-A-Kid ID card is recognized by various U.S. Government Agencies. It may be used for Government Assistance, Insurance Claims, Custody Issues, and other Legal Processes where positive identification may be necessary. It may also be used for traveling when supplemental identification is required.

An Ident-A-Kid card can come in handy when registering your child for sports when height, weight and age verification is required.
